EcoCore Walnut

Crown Cut

Made from Crown Cut AB Grade American Walnut veneer pressed onto a Rubberwood plywood core, EcoCore Walnut CC offers a perfect blend of durability, aesthetics, and sustainability.

The Crown Cut Walnut veneer features a rich, warm aesthetic, with its distinctive grain pattern enhancing the natural character of the wood. The pre-sanded faces are ready for finishing, and the Clear Coated option is ready to install. Made from repurposed material, this veneer is ideal for joinery and cabinetry applications.

PERFORMANCE

CARB EPA TSCA certificate

ISO 9001:2015

FSC certified

EcoCore Walnut

Crown Cut

Rubberwood Core: A sustainable material sourced from rubber trees at the end of their latex-producing lifecycle. Rather than going to waste, these trees are harvested and repurposed into timber-based products, supporting responsible resource use and environmental conservation.

FEATURES

- American Walnut Crown Cut AB Grade Face Veneers
- Rubberwood plywood core
- Available Uncoated or pre-finished with a Clear Coat
- Chocolate brown in colour
- Rich texture and cathedral like pattern

BENEFITS

- Uncoated– Pre-sanded faces take stain, polyurethane, oil and paint well
